

I am planning to document this mission trip with video updates on my website, www.wolwo.org, where you can follow my progress and get first hand reports from the field about what God is doing in that part of the world. This way you can help undergird us in prayer and will know how to pray more accurately for our outreaches.

Thank you for your prayerful and generous support for us over the years. I am so excited about this new outreach God has for us and hope you will pray about being a part of what He has called us to do. Together, we can reach the lost with the gospel and train up a new generation of leaders to shake their nation for God.

In His Love,

Ed & Laurie Elliott
